5009. PUBLIC SESSION

After complaints were raised by the public of the recurrence of the build-up of tin cans and smell, M Cooper stated he was attending a meeting at Doncaster Council on Tuesday 16 January 2018 with all relevant parties

RESOLVED to note the Clerk to organise a meeting with all relevant parties as soon as possible.

5010. TO RECEIVE NEIL FIRTH

N Firth presented a Briefing Note explaining that during the construction and opening of FARRRS a number of issues were observed at Junction 3 of the M18. In particular, the large queues on the Northbound slip road. Traffic leaving the M18 Southbound exit slip road was also having difficulty getting onto the roundabout due to the large volume of traffic circulating it, plus the fact that the slip road is not signalised.

Proposed Scheme

- Provision of a third lane around the gyratory
- Provision of a dedicated left onto White Rose Way from the Northbound slip road
- Potential signalisation of the Southbound exit slip
- Minor widening of the Southbound exit to provide a left turn onto FARRRS
- Revised white lining on White Rose Way to enable 2 lanes to circulate the junction 3 roundabout
- Revised signing and lining to enable Southbound off slip traffic to use both lanes when travelling towards Doncaster.

Work Undertaken

Doncaster Council has commissioned line beam calculations on existing bridges which indicate three lanes are possible; have adjusted the signals to optimise the performance at the junction and regularly monitor traffic flows from CCTV to the Civic Office; are meeting monthly to discuss the issue; have submitted a bid to the National Productivity Infrastructure Fund in the sum of £4.4 million but the bid was unsuccessful.

Highways England have installed temporary VMS Signing on the Southbound carriageway; a lining scheme on the Northbound exit slip; are looking to fund the project with a view to a potential 50:50 split on costs.

Highways Engineers have made amendments to the signing on the approach to the Northbound slip.

There is potential for the works to be phased with the roundabout being undertaken in advance of the dedicated left from the Northbound exit slip onto White Rose Way, however this needs to be verified by work being undertaken.

5011. TO RECEIVE MARCUS-ISMAN EGAL AND DONNA FLICKER

A proposal was presented to the Parish Council to partly fund the post of Tom Chambers to provide proactive, positive activities for Rossington children and young people throughout the year.
